CHAPTER 4:14-21

1) *Fathered the family*

2) *Example to the family*

3) *Faithful to discipline the family*

1) Growing up was your father a godly role model?

How did (does) that effect your relationship with your Heavenly Father?

Is there anything the group can pray about for you so that you can experience the goodness of your Heavenly Father?

2) Who are your spiritual "parents"?

Have you ever thanked them for the part they played in your salvation experience?

3) Are you a godly role model to your children?

Is there anything the group can pray about to help you become a more godly example?

4) Are you faithful to discipline your children?

Do you tend to be too easy, or too harsh with them?

What can you apply from the example pastor Paul shared of the apostle Paul and King David to your life and the discipline of your children?
