

Ephesians 4:25-32

1) How we should walk

A. No more lying

B. No more anger that produces sin

C. No more stealing

D. No more corrupt communication

E. No more bitterness

1) How does lying hurt people? More specifically, how does lying hurt a local church?

2) Have you ever lied? If so, why did you?

3) Give an example of how uncontrolled anger in your life caused you to sin.

4) What did you learn from that experience?

5) Look through the Bible and you'll find that when God calls men to serve Him that He calls men who are working (ex. Moses, Elisha, Gideon, Peter)

Why do you think that is?

6) A pastor began using curse words in his sermons to be more "relative" to his audience.

Do you think that was appropriate?

Why or why not?
