1) What has Satan used in your life to try and keep you from doing God's will?

2) Do you feel like you are presently standing against Satan's attacks, or falling to them?

3) What do you need to stand against Satan's attacks.

4) Why is a working knowledge of God's word essential for turning back the attacks of the devil?

5) Share an experience when you or someone you know used God's word effectively to turn back an attack of the devil.

6) Identify an area in which the devil's attacks are especially effective in your life, for example...

Fear, anger, depression, discouragement, hopelessness, prejudice, envy, faithlessness, laziness, etc.

Use the next week to find scripture that deals with that issue and begin to use it as a sword against the attacks of the devil.
